INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Children of War, Inc.

We have audited the accompanying statement of financial position of The Children of War, Inc. as of September 30, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of The Children of War, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Children of War, Inc. as of September 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS**

NOTE A – NATURE OF ACTIVITIES

The Children of War, Inc.'s mission is primarily to provide humanitarian aid to war victims of Afghanistan in the form of food, medical aid and educational facilities. It was organized in Virginia in 1993.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting and Estimates – The financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates.

2. Basis of Reporting – The Organization has adopted Accounting Standards Codification (ASC) section 958-205 (formerly, Statement of Financial Accounting Standard No. 117) which establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes according to external donor imposed restrictions into three net asset categories; unrestricted, temporarily restricted, and permanently restricted. Unrestricted net assets include funds not subject to any donor-imposed restrictions. Temporarily restricted net assets consist of contributions subject to specific donor-imposed restrictions contingent upon specific performance of a future event or a specific passage of time before the Organization may spend the funds.

3. Cash and Cash Equivalents – For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

4. Revenue Recognition – Revenue is recognized when received.

5. Functional Allocation of Expenses – The costs of providing for various programs and other activities are summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and services benefited.

6. General and Administrative Expenses – Expenses that are not directly related to program activities are recorded as general and administrative expenses.
