NOTES TO FINANCIAL STATEMENTS**

NOTE A – NATURE OF ACTIVITIES

The Children of War, Inc.'s mission is primarily to provide humanitarian aid to war victims of Afghanistan in the form of food, medical aid and educational facilities. It was organized in Virginia in 1993.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting and Estimates – The financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates.

2. Basis of Reporting – The Organization has adopted Accounting Standards Codification (ASC) section 958-205 (formerly, Statement of Financial Accounting Standard No. 117) which establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes according to external donor imposed restrictions into three net asset categories; unrestricted, temporarily restricted, and permanently restricted. Unrestricted net assets include funds not subject to any donor-imposed restrictions. Temporarily restricted net assets consist of contributions subject to specific donor-imposed restrictions contingent upon specific performance of a future event or a specific passage of time before the Organization may spend the funds.

3. Cash and Cash Equivalents – For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

4. Revenue Recognition – Revenue is recognized when received.

5. Functional Allocation of Expenses – The costs of providing for various programs and other activities are summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and services benefited.

6. General and Administrative Expenses – Expenses that are not directly related to program activities are recorded as general and administrative expenses.
